REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance (the Statement) with the best practices contained in the Code of Corporate Governance (the Code) for the year ended 30 June 2012 prepared by the Board of Directors of Thal Limited (the Company) to comply with the Listing Regulations No. 35 Chapter XI of Karachi Stock Exchange (Guarantee) Limited and Chapter XIII of the Lahore Stock Exchange (Guarantee) Limited, where the Company is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Company's compliance with the provisions of the Code and report if it does not. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control systems to enable us to express an opinion as to whether the Board's statement on internal control covers all controls and the effectiveness of such internal controls.

Further, Sub-Regulation (xiii a) of Listing Regulation No. 35 notified by the Karachi Stock Exchange (Guarantee) Limited vide circular KSE/N-269 dated 19 January 2009 require the Company to place before the Board of Directors for their consideration and approval, related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price, recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the Audit Committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code for the year ended 30 June 2012.
